

Chelated Minerals

A natural aid for muscle cramping & bone loss.*

This formula uses chelated minerals with Albion and TRAACS® (The Real Amino Acid Chelate System) a highly bioavailable and absorptive form of the minerals. This supplement is formulated with ferrous gluconate (iron) to aid with hemoglobin formation, an oxygen carrier, muscle function, and brain function. This supplement has magnesium which helps prevent muscle aches and spasms, helps increase energy, calms nerves and anxiety, aids digestion by relieving constipation, important in heart health, and helps prevent migraine headaches. These minerals are also essential in building & maintaining strong bones. Our formula is specifically comprised for ultimate absorption.

- ✓ Muscle Cramping Relief
- ✓ Calm Nerves & Anxiety
